INTRODUCING

Nature is realism and the more you are close to reality, the more you can keep being inspired. Seek inspiration from your surroundings, by investing in naturalistic wall and floor tiles design that speaks of natural elements. This is where our plank tiles, play a significant role in helping you create the ideal environment to nurture and stimulate your senses. The beauty of the space gets better connected to the roots and all things that evoke the naturalness of the senses. Another unique characteristic of our surfaces into getting the Close to wooden series is the richness of the designs that look real.

The image is a creative composition of various wood-grain tiles. A vertical light-colored wood tile is on the left. A horizontal medium-brown wood tile runs across the middle. A dark, wavy tile with a candle and flowers is placed over the middle tile. Below the middle tile, there's another horizontal light-colored wood tile, and at the bottom, a vertical light-colored wood tile and a horizontal light-colored wood tile. A sprig of purple flowers is placed over the bottom tiles. The background is a solid dark brown.
